He had a bag with him to put them in. When he got on the rail and stepped down, the pen being slippery, he slipped and struck his head against the opposite side of the pen, and in doing so he broke his neck. When found yesterday morning a portion of his head was eaten off. The authorities were notified. ## PORT NORFOLK.

HOUSE OF WORSHIP DEDICATED BY THE BAPTISTS.

The Baptists of Port Norfolk and Pinners Point dedicated their new and beautiful house of worship last Sunday afternoon. The house is Romanesque in architecture and will seat 350 persons in the main auditorium. The lecture-room, which is separated from the auditorium by two large sliding doors, will accommodate 250. The house has one large triple window on the north and one on the west. These windows are fitted with handsome beaded glass, arranged in a most artistic manner. The centre panel of the window in the west is filled with beautiful glass by Mrs. J. M. Jewett as a memorial to her mother, who was the first member of the church lost by death. The windows in the choir chamber are very unique in their design. In one there is an emblem of a harp, with the words, "Sing unto the Lord." In the other there is an emblem of a lyre, with the words, "Praise ye the Lord." The building reflects great credit upon the congregation and is an ornament to the town.

Dr. J. J. Taylor, pastor of Freemason Street Baptist Church, preached the sermon. The subject of his discourse was "True Worship," and was handled in a masterly manner. The sermon will long be remembered as one of ability and power. Drs. A. E. Owen, R. B. Garrett and Rev. Samuel C. Saunders, T. C. Skinner, W. F. Fisher, W. V. Savage, and Rev. Mr. Lacy, of the Presbyterian Church, took part in the exercises.

Prof. Garrett, of the Norfolk Conservatory of Music, and his accomplished wife, were present and contributed greatly to the music. Prof. Garrett sang as solo the "Hills of God," and by his sweet and cultivated voice delighted the great congregation. Mrs. S. B. Carney sang the "Holy City" with pathos and power. Mrs. Lucan, of Port Norfolk, presided at the organ with grace and rendered very efficient service.

Beware of Ointments for Catarrh that contain Mercury, as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescription from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and is made in Toledo, Ohio, by F. J. Cheney & Co. Sold by Druggists, price 75c. per bottle. Hall's Family Pills are the best.
